My school is in Kaliningrad. My school is not big, but, is not small. It's quite big. I started lessons at eight o'clock and finished at two o'clock. I usually have seven lessons. In one day I have six lessons. After school I always go to home and in the evening I go to training. I do gymnastics. I have two friends at school. They are Alina and Alina. Alina does ushu and Masha does dance and music. Alina likes to eat and Masha too. My favourite lessons are English and Maths. I like these teachers. I like English because I know it well. I like Maths because it's sometimes easy for me.
